Notes

1. A maximum of 65 credits of community college credits can be transferred to Iowa State University.
2. A student who takes the above recommended transfer courses will be eligible to receive the B.S. degree in Ag Business from Iowa State by taking enough additional courses at Iowa State to a) reach 120 total credits and b) satisfy all remaining degree requirements within those 120 total credits.
3. To determine if or how alternative courses will transfer, a student should contact the ISU Ag Business program office (515-294-5436).
