

IOWA STATE UNIVERSITY

OF SCIENCE AND TECHNOLOGY

Admission Requirements for Students Educated in Ghana

Please note: These are minimum requirements. The university reserves the right to enforce higher requirements as needed without notice to meet the university's enrollment needs.

Freshman Applicants

Minimum High School Course Preparation

- 4 years of native language
- 3 years of mathematics (including beginning algebra, geometry and advanced algebra)
- 3 years of science (including one year each of two of the following: biology, chemistry, or physics)
- 2 years of social studies [3 years for applicants to our College of Liberal Arts and Sciences (LAS)]
- Applicants to majors in the LAS and Engineering colleges must have 2 years of a single foreign language (English may be used).

Minimum Academic Requirements

- Students are required to have an aggregate of 24 or less on the Senior Secondary School Certificate and must have passes in English, mathematics, integrated science, social studies, and at least one elective subject that is academic in nature (e.g., mathematics, science, humanities, or social sciences).

Scholastic Assessment Test (SAT)

- The SAT is not *required* for admission to Iowa State for students educated in non-American patterned schools.

Transfer Applicants

Minimum Academic Requirements

- A minimum cumulative grade point average of 2.75 (out of a possible 4.00) in all transferable courses is required for engineering applicants; a 2.30 is required for applicants to other majors. If school awards grades in percentages, corresponding required percentages are 50% for engineering, 45% for other majors.
- Students attending higher national diploma programs should be aware that transfer credits are not awarded for vocationally-oriented subjects.
