Admission Requirements for Students Educated in India-Patterned Schools

Please note: These are minimum requirements. The university reserves the right to enforce higher requirements as needed without notice to meet the university’s enrollment needs.

Freshman Applicants

Minimum High School Course Preparation

- 4 years of native language
- 3 years of mathematics (including beginning algebra, geometry and advanced algebra)
- 3 years of science (including one year each of two of the following: biology, chemistry, or physics) (Although Commerce students will not have met the requirement in laboratory sciences, they will be considered for admission on the condition that they take a chemistry or physics course at Iowa State in their first year of study.)
- 2 years of social studies [3 years for applicants to our College of Liberal Arts and Sciences (LAS)]
- Applicants to majors in the LAS and Engineering colleges must have 2 years of a single foreign language (English may be used).

Minimum Academic Requirements

- Students who have taken Grade XII CBSE or CISCE examinations should have an overall positional average of B2. Science track students meet the high school course preparation requirements; Commerce track students must have taken Mathematics in Standards XI and XII to be eligible to apply.
- Students who have taken Grade XII state examinations must have overall averages as follows:
