## Course Equivalency Guide for International Baccalaureate (IB) Diploma Programme (DP)

The International Baccalaureate DP offers college preparatory courses worldwide. At the conclusion of the courses and examinations, students should request their results/transcript of grades to be sent directly to Iowa State University; only through this method, a transcript is considered official. For additional questions on requesting transcripts, please contact your school counselors or visit <http://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/>.
