

Food Science Transfer Plan

Iowa State University (ISU) and Scott Community College (SCC)

The [Food Science](#) degree includes coursework in food chemistry, food microbiology, food quality assurance, sensory evaluation of food, and food product development. Graduates are prepared to pursue careers as food scientists in a variety of positions within food industry.

The courses listed below are ones that can be taken at SCC and transferred to Iowa State University (ISU) to satisfy requirements in the Bachelor of Science degree in the Bachelor of Science degree in Food Science. This transfer plan document was accurate on the date it was prepared and may not reflect subsequent changes by ISU or SCC. For this reason, the transfer plan should not replace consultation with an Iowa State University [academic advisor](#) in the Department of Food Science and Human Nutrition.

- **All courses on this plan do not need to be completed prior to transfer.** Typically, transfer students complete 1 year of prerequisite courses at ISU followed by 2 years of upper-level coursework to earn the Bachelor of Science degree in food science.
- **An emphasis on completing science sequence courses** and the prerequisites for upper-level courses will best help students move through the program at the quickest pace after transfer. If you are a part-time student or cannot complete all of the suggested coursework on this plan, consider choosing the science coursework first since this begins the longest sequence of courses. (Begin with the chemistry and general biology equivalents.)
- **No more than 65 semester credit hours earned at a two-year college** can be applied to a baccalaureate degree from ISU. The university accepts up to 16 semester hours of credit earned in career-technical courses if the sending college accepts such courses toward its Associate of Art or Associate of Science degrees.
- **Plan ahead to [apply to ISU](#)** a year prior to when you anticipate starting ISU courses, complete the [Federal Financial Aid Application \(FAFSA\)](#) for financial aid options, and apply for [scholarship](#) opportunities.

	ISU courses for the food science major	SCC equivalent course/s	Notes
	ENGL 150	ENG 105: Composition I OR ENG 107 Composition I: Technical Writing	
	ENGL 250	ENG 106: Composition II OR ENG 108 Composition II: Technical Writing	
	SP CM 212	SPC 112: Public Speaking	
	MATH 160 OR MATH 165	- MAT 210: Calculus I	No equivalent course for MATH 160.
	STAT 101 OR STAT 104	- MAT 156: Statistics	No equivalent course for STAT 101.
	CHEM 177/177L AND CHEM 178	CHM 165/166: General Chemistry I + Lab AND CHM 175/176: General Chemistry II + Lab	
	CHEM 231/231L OR CHEM 331 AND 332	CHM 132: Introduction to Organic and Biochemistry + Lab OR CHM 261/263: Organic Chemistry I + Lab AND CHM 271/273: Organic Chemistry II + Lab	CHM 261 or 263 alone transfer as a 300-level chemistry course and satisfies the CHEM 231/231L requirements. CHEM 261 and 271 or 263 and 273 must both be taken to meet requirements for CHEM 331 and 332.
	PHYS 115/115L OR PHYS 131/131L	- PHY 162: College Physics I + Lab OR PHY 212: Classical Physics I + Lab	No equivalent course for PHYS 115/115L.
	BIOL 212/212L	BIO 114: General Biology IA AND BIO 115: General Biology IIA	Must take both BIO 114 and 115 to get credit for BIOL 212/212L. Students may wait to take it at ISU

	MICRO 201/201L OR MICRO 302/302L	BIO 186: Microbiology + Lab -	No equivalent course for MICRO 302/302L.
	ECON 101	ECN 130: Principles of Microeconomics	
	FSHN 167	BIO 151: Nutrition	
	Additional courses for the major	SCC equivalent course/s	Notes
	International Perspectives	-	3 credits. <i>Requirement will be met with a course in the major (FSHN 342).</i>
	US Diversity	PSY 261 / EDU 235 / SOC 115	3 credits. Must be from <u>approved U.S. Diversity list</u> .
	Humanities	ART 203, 204 / DRA 101 / HIS 117, 118&119, 151, 152 / EDU 235 / MUS 100 / PHI 101, 105 / REL 101 / LIT 101, 110, 111	6 credits needed for students choosing CHS*. 3 credits needed for students choosing CALS*. Must be from <u>approved Humanities list</u> .
	Humanities or Social Science	ART 203, 204 / DRA 101 / HIS 117, 118&119, 151, 152 / EDU 235 / MUS 100 / PHI 101, 105 / REL 101 / LIT 101, 110, 111 OR ANT 105 / CRJ 100, 200, 201 / ECN 120, 130 / COM 140 / POL 111, 121, 125 / PSY 111, 121, 251, 261, 281 / SOC 110, 115, 120, 261	3 credits needed for students choosing CHS (no additional credits for CALS students)*. Must be from <u>approved Humanities list</u> or <u>approved Social Sciences list</u>
	Professional Electives:	BUS 185 / ACC 142, 146 / AGB 235 / AGH 221	6 credits. More options are available at ISU to meet this requirement. See the <u>Food Science Catalog Requirements</u> for more details.

*CHS: College of Human Sciences; CALS: College of Agriculture & Life Sciences

Additional notes:

- A minimum of 120 credits are required to earn the Bachelor of Science degree in Food Science. Students may choose electives beyond the requirements for the major to reach that total if needed.
- These plans are suggestions only and may need to be adapted to meet individual needs and commitments.
- Students who have earned a cumulative GPA of 3.50 or higher at the beginning of their final term are eligible to graduate with distinction provided they have completed 60 semester credits of coursework at ISU at the time they graduate, including a minimum of 50 graded credits at ISU.

For information on course requirements, sample four-year plan, and course sequence flow chart, refer to the Iowa State University [food science major page](#) webpage.

Updated 2023 based on course listings in the ISU 2023-2024 Catalog and [ISU's Course Equivalency Guide](#).
