

FAMILY & CONSUMER SCIENCES EDUCATION MAJOR

Transfer Plan for: DMAACC

Iowa State University 2023-25 Catalog

Administered by the Department of Human Development and Family Studies

Family and Consumer Sciences Education and Studies major prepares you to teach middle and high school students the fundamentals of food and nutrition, family dynamics, financial management, fashion, and other life skills. A focus is the broad range of curriculum within the academic program. This is an in-demand job field with high placement rates in schools around Iowa and the nation.

HOW TO READ THIS TRANSFER PLAN

This guide is designed for students to see how courses taken at a community college will transfer to Iowa State and within the Family & Consumer Sciences Education major. On the left side, the “Iowa State University Course” is listed and on the right side, the exact match (course equivalent) is shown. If the right side is blank, the student will need to complete the course at Iowa State University.

This transfer plan has 3 parts.

1. General Education courses for the FCEDS major. (Note: an AA/AS degree does not satisfy this requirement. Iowa State will review each course.)
2. Required Content Classes - FCEDS Core
3. Required Classes - Teacher Licensure

TRANSFER PLAN NOTES

- **Maximum of 65 credits** can be transferred to Iowa State University from a community college(s).
- Undergraduates who have a cumulative grade point average of 3.50 at the beginning of their final term are eligible to graduate “with distinction” provided they have completed 60 semester credits of coursework at Iowa State University at the time they graduate, including a minimum of 50 graded credits.
